

Nurse Practitioner (Bilingual) – Lower Outaouais Family Health Team

1 Temporary Full-Time (1yr Contract)

Overview:

The Lower Outaouais Family Health Team (LOFHT) is looking for a dedicated temporary full-time Primary Health Care Nurse Practitioner (NP-PHC) for a one-year contract starting in early May 2025. The LOFHT serves our community by promoting wellness and healing through collaborative care, where the team works together to support active participation of the patient towards their wellness goals. Located in Hawkesbury (halfway between Ottawa and Montreal) our 22 family physicians and interdisciplinary health professionals work collaboratively to provide the best primary care to our 18,500 patients.

Main Responsibilities/ Position Focus:

- Collaborates and/or consults with physicians and other interdisciplinary team members to provide high quality primary care
- Woman's health clinic, cancer screening
- Well baby program and Chronic Illness Management
- Same day appointment and after-hour clinic (if needed) for acute care issues

Education, Experience and Skills:

- Current extended class certificate (NP-PHC) and unrestricted registration with the College of Nurses of Ontario
- Current membership with RNAO or NPAO, including professional liability insurance coverage
- At least two (2) years clinical experience will be considered an asset
- Certification in CPR (BLS-C)
- Ability to work effectively both independently and as part of a team

Job Requirements

- Must be bilingual, oral and written
- Provide Vulnerable Sector Check

Salary: \$108,494-\$122,178

The LOFHT is a HOOPP employer.
